

# PW

## 6' Flexible Power Whip

### Product Description

The PW flexible power whip accessory allows Cree® troffers and light engines to incorporate a flexible metal-clad power whip to enable faster, more consistent installation. This accessory can be easily installed in the field and is compatible with step-dimming, 0-10V dimming, and Lutron EcoSystem® dimming options. The PW accessory is mounted to the power wiring compartments (does not mount to low-voltage control wiring compartment).

### Performance Summary

Compatible with all Cree® troffers and light engines

Limited Warranty†: 1 year

cULus Listed

† See [www.cree.com/lighting/products/warranty](http://www.cree.com/lighting/products/warranty) for warranty terms

**NOTE:** Cree® troffers and light engines must be ordered separately (not included with PW accessory)
